client City of Chelsea  
location Broadway, Chelsea MA  
partners Iliana Vidal, La Colaborativa  
type Streetpole Banners  
size 12ft x 6ft Panels  
roots 289 Derby Placemaking

Affirmative Art is an international art program that guides people to draw their aspirations and discover their future dreams. Over the course of three workshops, Studioful collaborated with Iliana Vidal to lead students in several Affirmative Art workshops tailored to the La Colaborativa youth program.

Students co-collaborate to they draw their dreams, photograph "Dream Portraits," and translate the work onto banners that will be printed and displayed down Broadway, Chelsea's main commercial street.
