In 2019, Charlotte Forten Park was built as the result of the community-based process led by Studioful, with CBA Landscape Architects. In 2021, we collaborated on Creative Collective Imaginings to understand how the varied communities of Salem hope to memorialize Charlotte Forten in the park named in her honor.

Charlotte Forten is celebrated as the first Black woman graduate from Salem State University as well as the first Black female educator for Salem Public Schools. Charlotte was also a writer, poet, and lover of nature!

“Tomemos valor y nunca dejemos de trabajar, esperando y creyendo que si no para nosotros, para la próxima generación habrá un futuro resplandeciente.”
